Dear Parents/Guardians

Hello! My name is Ms. Barnett, and I will be student teaching under Mr. McMahon for the next 60 school days. I am currently a senior at the University of Montana Western and am studying Secondary Ed with my content in Modern History along with Social Sciences.

Before attending the University of Montana Western, I was enrolled in the Townsend schools K-12! I enjoyed my time at BHS being involved in various sports, choir, and a handful of the theater productions! As I attended the University of Montana Western I found a love for learning and wanting to share knowledge with others. I have been able to attend multiple schools and meet a variety of students, teachers, and faculty which have all led here!

As I am in the classroom I will be co-teaching with Mr. McMahon following his instruction for the first few weeks. At some point within the 60 days I will take charge of the learning taking place in your students' class. I look forward to gaining more knowledge and understanding from him along with you and your students! I would like to thank you for the opportunity to work with your child and watch them broaden their academic interests. If you have any questions please feel free to reach out with the contact information below!

Sincerely,

Jessie Barnett
