Course Description

Welcome to 7th Language Arts! Our focus this school year will be learning and developing our skills as critical thinkers, readers, writers, speakers, and listeners. The development and mastery of these important literary skills not only is important to achieving success in the Language Arts classroom, but it is also a critical component of achieving success in other school subjects, building strong relationships with others, and attaining a flourishing career as an adult. Basically, the quality of life you experience now through adulthood will depend a lot on how well you read, write, and communicate with others.

Be a Cooperative, Respectful Achiever

Cooperative Students = Come to class ready to learn and take responsibility for your actions!

Respectful Students = Be kind to yourself and be open to ideas and viewpoints!

Achieving Students = Do your best work and try to learn from your mistakes!

Where do I go to find agendas and assignments?

Every morning, I will post all assignments and directions on Teams. Many of your assignments will be found on Common Lit. These are the two places where you will find all instructions, assignments and where most of your work will be turned in! Keep in mind that we will do other assignments on paper as well!

What happens if I turn in an assignment late?

I want you to complete **all** of your assignments, as that is how the best learning happens! I know that sometimes life is messy, and you may need more time. I will accept late work. It will go in as a zero in Power School until it is complete. However, I do not want it to become a habit. Please communicate with me and we will figure out a plan. You can message me on Teams or come and talk to me! Keep in mind that if you are not doing the work, then you ARE behind. When you fall behind you WILL struggle with the assessments and WILL NOT meet the standards! Also, I cannot guarantee that you will be given timely feedback on assignments if you turn them in late.

Grade Scale

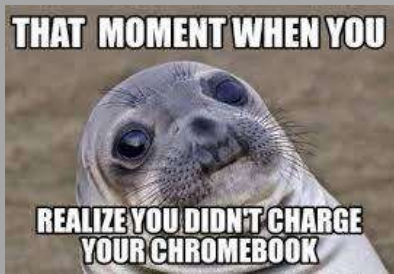

- A- 100-90%
- B- 89-80%
- C- 79-70%
- D- 69-60%
- F- Below 59%

How will I check my grade in class?

All grades will be posted in Power School!

Assignments will be graded through Teams, Common Lit, and some will be done on paper.

What do I do if I am absent?

Check Teams and read the instructions and DO the assignment. Sometimes, the assignment requires you to go to other sites to complete the work.

It is important to read carefully and complete all the parts of the assignment. You are expected to complete all work- even if you are gone. Practicing the skills is an important part of learning!

I also post the weekly agenda on my teacher webpage. If you have any questions, you can always message me on Teams or talk to me!

What happens if I do poorly on an assignment?

All students are going to struggle on an assignment. This is normal!

I allow you to Redo, Rewrite, Retest!

Students have two weeks from the time it is graded to retest or rewrite. I want you to learn; sometimes learning takes a couple of times to get it right. If you would like to retest or rewrite, you will need to set up a plan with me and get it done in the time frame provided. You will need to fill out a slip to retest or rewrite and we will plan to get this done!

What are we going to be learning this year?

We will be reading and writing through a series of Essential Questions. Those questions will guide us through each unit. We will experience different modes of writing as well as a variety of diverse authors.
