

AP Calculus AB Cohort B

Week of 10/19 - 10/23

Due Dates

10/19 – Section 2.1 Day 3

10/21 – Section 2.1 Review

10/22 – Chapter 1.1-2.1 Review

10/23 – AP Practice Questions

Upcoming Assessments

10/22: Chapter 1 Test

Monday: Section 2.1 Review	<ol style="list-style-type: none"> 1. Work through the activity posted on Moodle (due 10/21). 2. If you would like to work with some one else on this activity, that is fine but each person needs to complete the activity. Call a partner through Teams to work together. Please also note who your partner was on your work so I know who you worked with. 3. When you are finished, upload a picture of your work to the assignment on Moodle.
Tuesday: AP Practice Questions	<ol style="list-style-type: none"> 1. Work through the AP Practice Questions assignment on Moodle (due 10/23). This will give you an idea of possible AP style questions out of Chapter 1. 2. Check your answers in the back of the book and correct any that you missed. 3. When you are finished, take a picture of your work and upload it to Moodle.
Wednesday: Chapter 1.1-2.1 Test Review	<ol style="list-style-type: none"> 1. Work through the review assignment to prepare for tomorrow's test (due 10/22). Check your answers with the posted answer key and correct any problems that you missed. 2. When you are finished, take a picture of your work and upload it to Moodle.
Thursday: Chapter 1.1-2.1 Test	<ol style="list-style-type: none"> 1. If you are a DLI student, log in remotely to our class during class time with your camera on and microphone muted so I can proctor your test. 2. Work through the test posted on Moodle ON YOUR OWN. You may use a calculator but no notes on this test. 3. When you are finished, take a picture of your test and upload it here.
Friday: Section 2.2 (Day 1)	<ol style="list-style-type: none"> 1. Watch the posted videos on Moodle and take notes. 2. Look over the posted notes and add anything to your notes that you need to. 3. Complete the 2.2 day 1 assignment on Moodle (due 10/26). When you are finished, check your answers in the back of the book. Then upload a picture of your work to the assignment on Moodle.

"Mathematics is the music of reason." – James Joseph Sylvester
