Physics Weekly Agenda 11/11/2024 – 11/15/2024

## **Monday-Friday**

This week students will be prepping for their teacher for a day project. Students that have projects the next day will practice, other students will help with possible improvements.

## Get out and support your Bengals!!!

Weekly Events

<u>Thursday – Saturday</u> State Volleyball!!!

A word from Mr. Day...

ТМ

This week we will start teaching over at Bryant! Be professional and make it fun for the kids! Have a wonderful week.
