

Quarter 4 Reminders and Policy Changes

Hello Algebra 2 Students, and Happy Quarter 4!

I am writing to offer a few reminders and to update you on changes to the make-up work policy.

I hope we will all have a great Quarter 4 and a strong finish to this very unusual year! 😊

Reminders – these have been the same since the start of the year, but they are still really important.

- Remember to check the assignment guides posted on my teacher page every Monday morning.
- Make sure you are receiving the Remind messages. I send at least one, usually more, per week. I count on the fact that you are all receiving them.
 - Rejoin if needed. Code: @alg2tb201
 - Parents are welcome to join and receive the reminders too. Contact me for more information if needed.

Assignment and Quiz Reminders

- Assignments will still have suggested due dates, and you will still be able to turn them in by the NLT (no later than) dates for full credit. Many students appreciate the extra time for full credit the NLT dates offer.
- Quizzes still need to be taken on time for full credit. If a conflict arises, please continue to let me know in advance or ASAP.

New Make-up work Policy

- After each quiz and/or batch of assignments, you will have **one week** to make up those assignments and/or quizzes for half credit.
- After that one week, the given assignments will no longer be accepted. The quizzes will be returned to students and no longer available for credit.

It will be more important than ever for you to stay engaged and caught up this quarter. Always do and submit your work on time or within the credit limits. Please let me know if you ever have questions or need any help.

Thank you! Let's have a great 4th Quarter! 😊

Mrs. Bruski
