

Study Skills Expectations

Mrs. Marks

Welcome to Practical Study Skills. This is a supported study hall where we will work together to help you stay organized, track your grades, work on assignments, and learn study skills to help you become a better student.

We will use Microsoft TEAMS for all assignments this year. You can access Microsoft Teams by going through Clever (link on my website and in managed bookmarks on your district provided Chromebook). Or by downloading the TEAMS app on your phone or tablet.

Bengal Expectations

Be a graduate!

Grading will be based on total points from participation in daily activities. Grading scale is 90-100%=A, 80-89%=B, 70-79%=C, 60-69%=D, and below 60%=F.

Obtain 23 credits in High School to earn you diploma and to open the door for further education and great adventures.

Your grade in this class will be based on 4 daily points based on our Bengal Expectations:

- (1) Be a Graduate- attendance (Get to class on time and stay in class the entire period)
- (2) Be Involved- participation in Bell Ringers and Exit Tickets
- (3) Be Respectful- Follow classroom expectations and show respect towards staff and students
- (4) Be Responsible- On task behavior- actively working on assignments

If you need school supplies and are unable to get them for any reason, please come talk with Mrs. Marks and she will make sure that you have what you need to be successful.

Be Involved!

Be an active participant in class. Join a club and/or activity at Helena High. Volunteer in your community. Be involved in this class by coming in on time, participating in the Mental Health Check-in, and logging into Power School to check for any missing assignments. During the class period you will be working on assignments for your outside classes. Don't be afraid to ask for help if you do not understand an assignment or need help with anything.

Be respectful!

Be a positive person in class by being enthusiastic, curious, and kind. Be in your seat when the bell rings. Three tardies result in lunch detention. Treat your classmates and teachers with respect. Hats, hoods, earbuds, headphones and over-revealing apparel are not acceptable in my classroom. The use of cell phones in class is prohibited unless we are using them for a lesson.

Be responsible!

Each Day, begin class with the Mental Health Check-in and Bell Ringer. At the end of class, put all of your materials away neatly and complete the Exit Ticket before leaving. Take care of the classroom technology and equipment. It is your responsibility to complete assignments and turn them in. Be responsible by keeping track of due dates, keeping materials in a safe place, and talking to teachers about missing assignments. We are here to help you succeed but ultimately it is up to you to be motivated and successful.
